

Gomera: Arrival Men's Journey

Flight to Tenerife South (TFS) landing latest on 25.10. at 4pm so that you can catch the ferry and still arrive in Tazo in the evening.

For later flights you will have to spend one night in Tenerife.

From TFS to Los Christianos it takes about 25 minutes by bus. The bus stops in the center not in the port (min. 10 min. walk).

Take the ferry to San Sebastian on La Gomera.

Ferries between Tenerife and La Gomera run several times a day. For a relaxed travel plan about 2 hours between landing and departure of the ferry. An overview of the current ferry times (which can change again and again) can be found <https://www.hellocanaryislands.com/travelling-between-the-islands/>

I recommend to book the trip from the airport TFS to Vallehermos or, if you want to take a rental car together with others, to San Sebastian (there and back) via the company Autobuses MESA.

If necessary, we can help you plan your trip! At www.soulrhythms.at/workshops/men-s-journey/connecting/ you can network with other participants to travel together, share a rental car, etc.
